

**We help Minnesotans
build clean energy**

WE PROVIDE

Hands-on assistance

For cities, schools, utilities,
Tribal nations, farmers,
businesses, and other entities
looking to make a change.

**Practical steps to
clean energy**

Resources for getting
started, moving forward, and
completing projects.

**Learning
opportunities**

We host events, create
resources, and highlight clean
energy stories and jobs.

**Our mission is to connect individuals and communities
in Minnesota to the resources they need to identify and
implement community-based clean energy projects.**

HOW WE WORK

We meet people where they are

No matter where they live and work in Minnesota or where they are along their clean energy journey.

We convert learning into doing

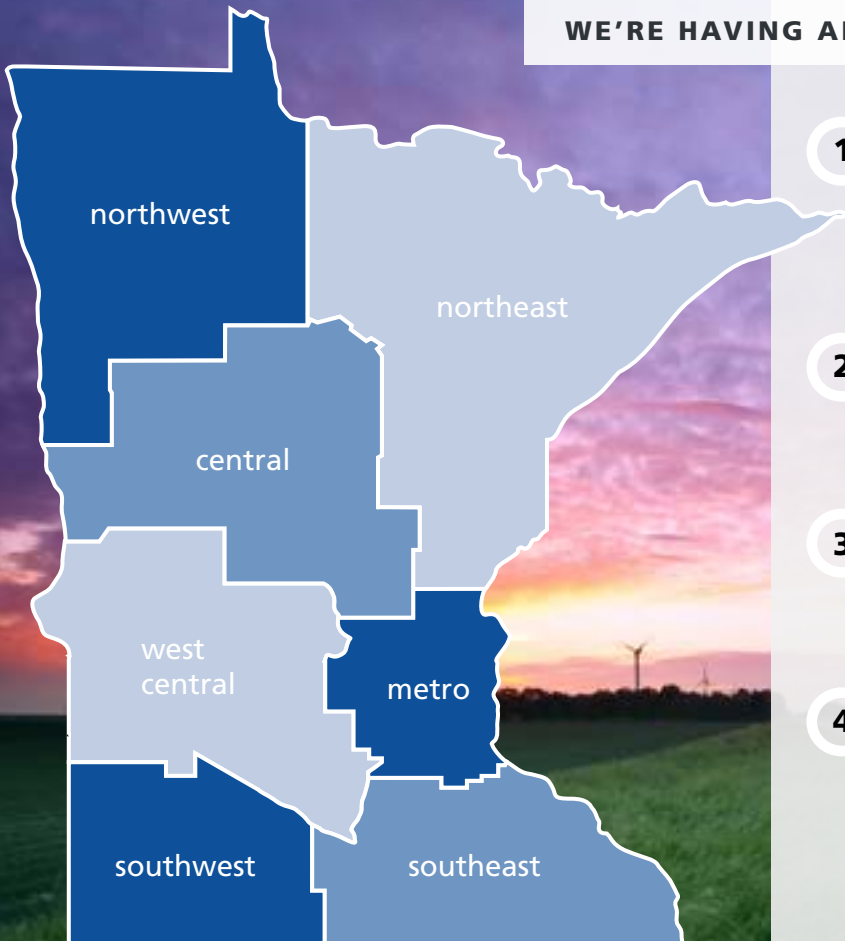

Our pragmatic, cooperative, and unbiased approach gets people up to speed, connected, and ready to act.

We strive toward inclusive access

We work to create opportunities for engagement and participation in clean energy for everyone.

WE'RE HAVING AN IMPACT ACROSS MINNESOTA

- 1 Engage communities across seven regions with local staff and steering committee members.**
- 2 Awarded over \$1.6 million in CERTs Seed Grants to 467 energy projects since 2006.**
- 3 Impacted 1,290,398 people through grants, events, and programs since 2009.**
- 4 Helped save nearly 696 billion BTUs of energy and avoid \$9 million in energy costs since 2010.**
